For the Community: Walk the Church at Grace

You may have heard about “Walking the Mall,” Pastor Ryan encourages everyone to take advantage of the big area at Grace, and come “Walk the Church.”

Wednesdays through Saturdays at 8:30 a.m.

Tuesdays through Fridays at 4:30 p.m.

Every week starting January 3rd

The Grace Community offers a safe walking area

(Sometimes we will have to cancel, but there will be notice)

Plan to come and join in on the fun and exercise!

It’s open to **all**, it’s the right temperature and it’s FREE!

Next Sunday we will be receiving new members at both churches. A few people at both churches have indicated they are joining their respective churches and we are seeking more. If you are interested in joining please talk to Pastor Ryan.

On January 29th both churches will hold their annual meetings after services. Remember to work on getting your annual report into Lori as soon as possible if you have one due. Grace Community will be looking to amend its constitution, specifically changing its name constitutionally to Grace.
